Proposal revised ESA method figures_7.18.17b_MP.docx

I think this looks really good. I just had a few purely editorial suggestions for you to consider (see the attached document).

Let me know if you have any questions.

Thanks,
Mel

Marietta asked that I make the proposed revised methods a little easier to digest from a non-tech audience.

Can you please take a look at this and let me know if it is still accurate and makes sense? Is it clear? Etc...

Thanks

B
